

.GAL Eligibility and Reconsideration Dispute Resolution Procedure (ERDRP)

Definition

The .gal Eligibility and Reconsideration Dispute Resolution Procedure (ERDRP), which establishes the terms and conditions for the challenges adopted by the PuntoGal Association about eligibility for the registry of a .gal domain.

The .gal Eligibility and Reconsideration Dispute Resolution Procedure is a regulation of PuntoGal Association, relying on ICANN policies.

The present policy provides to any person who thinks a .GAL domain do not meet the eligibility policies the possibility of submitting a complaint. This policy does not replace the URDP, the applicable law and jurisdiction.

PuntoGal leaves the dispute resolution between the parties through a meditation process held by the Centro de Mediación do Ilustre Colexio de Avogados da Coruña, ICACOR.MEDIA.

Governing Law and Jurisdiction

This Registration Policy is governed by Galician, Spanish and European laws.

Language

This Registration Policy is drafted in Galician and English.

In the event of any difficulty in interpreting the terms of this Policy, the Galician version shall prevail between the parties.
